WOMAN'S CLUB MEETING

Members of the Rochester Woman's Club were addressed at their November meeting by Dr. Vernon Ingraham of Marion who is a professor in the English Department at SMTI. Dr. Ingraham gave a progress report on the new college at North Dartmouth and stated that $18,500,000 had been spent to date, giving much local employment and helping the economy in the area.

A rapid increase in the student body is expected with 2300 enrolled now and by 1975 there will quite possibly be between six or seven thousand pupils. The New Bedford branch is now taking care of Textile students only and the Fall River branch, Biology. Liberal Arts and Business Administration students are at the new campus. Under construction now is the Science and Engineering Building which will be one-third larger than the Fine Arts Building. Dormitories and Student Union Building is to be built by private enterprise.

The November meeting of the New Bedford Coast Guard Officers' Wives' Club featured a most interesting visit to the Sandwich Glass Museum in Sandwich. Following this the members enjoyed a delightful luncheon at the Daniel Webster Inn.

LIONS CLUB KICKS OFF BOY SCOUT CAMPAIGN

The Mattapoisett Lions Club has pledged an initial gift of $100 to get Boy Scout Troop 53's fund-raising drive off to a good start. This amount is enough to purchase enough tents to house 12 boys.

Letters soliciting contributions to buy much-needed camping equipment are being mailed to all Mattapoisett organizations and businesses. To supplement this drive, the boys of Troop 53 will be conducting a house-to-house sale of Mason Candies on Sunday afternoon, November 20th. It is hoped that all Mattapoisett residents will find it possible to buy three or four boxes of candy for the holiday season. Their purchase will enable Troop 53 to buy adequate tents and cooking equipment for the more than 60 boys now active in Scouting.
